Venting the PCV system may not be legal in all states. This configuration is intended for off road / racing use only.

To avoid allowing PCV gasses (i.e. TOXIC oil vapors) from entering the passenger cabin, use the recirculation feature of the air conditioning system.

Race use ONLY!

FOR OFF ROAD USE ONLY

THE PURCHASER IS RESPONSIBLE FOR DETERMINING THE SUITABILITY OF ANY AND ALL PRODUCTS PURCHASED.

Purchaser understands and recognizes that off road, racing equipment, and services provided by, manufactured by, and/or sold by RevXtreme, Inc. are subject to varied conditions due to the manner in which they are installed and used. Purchaser further recognizes and agrees the suitability of any part sold or manufactured for a particular application is the purchaser's decision and the purchaser is not relying on the skill or judgment of Manufacturer and/or Distributor regarding suitability of any product or service.

Manufacturer and Distributor make no warranties whatsoever, expressed or implied, oral or written to purchasers with regard to off road and racing equipment. The right to make changes in design, add to, or improve on products without incurring any obligations to install the same on products previously manufactured is expressly reserved.

Buyer agrees to indemnify and hold seller harmless from any claim, action, or demand arising out of or incident to the buyer's installation or use of products purchased from Manufacturer and/or Distributor.

All parts are aftermarket replacement parts. Part numbers are used for reference only. No implication is made that these parts are the original car manufacturer's, are from the original suppliers, or are approved by them.

While operating vehicle, always utilize safety restraint systems.

No items sold by Distributor are guaranteed to prevent death or injury. There is no substitute for safe and responsible driving.

WARNING

Installation of any component or kit should only be performed by persons experienced in the installation and proper operation of vehicle systems. It is also the responsibility of the person installing any component or kit to determine the suitability of the components or kit for that particular application. Products are intended for off road use only. The Manufacturer, Distributor, and Retailer are not responsible for any misuse of these products. Check local authorities for highway laws because highway laws and the enforcement of those laws vary widely.
